“ So sad to hear of the passing of one of the kindest Red Cross Volunteers I was blessed to have on my team. We had many adventures together on the road to other chapters, at events, at the VA, warehousing and more. He was always the first to sign up and show up at each and every meeting. He would drive any vehicle and take me to any event I needed to get to. Especially after breaking my foot. He will be missed by all whose lives he touched. Truly blessed to have known him. May his family find comfort in this time of grief and know that our prayers are with them
