“ I will always remember going to cohoes house of pizza with him, his best friend, and my best friend. We would walk around to stewarts, the pizza shop, and where ever we felt like even if it were freezing out. He joked alot but he always knew how to make somebody feel better without even realizing.

“ Anthony has been a wonderful part of my daughter Paytens life the last few years. Always putting a smile on her face and making sure she's happy when he knew she might've had a bad day. I know she will always hold their friendship close to her heart and never forget the kind soul that Anthony is. Neither will I. I am so sorry to his family and other friends. He will truly be missed..
