“ My beautiful sister you are gone from us and I can't believe it. Our hearts are broken. I put my faith in God and I know we will see each other again. I hope you Carla and Margaret are having cocktails and reminiscing with lots of laughing. I'm going to miss your crazy texts and run on sentences along with all our good morning and sleep well. You are a beautiful soul and always taking care of others. Now you are in God's hands resting peacefully. My heart is broken. I will miss and love you always pretty girl. My sister...until we meet again. Your baby sister nadine

“ Words can't describe how sad I was to hear that Antoinette had passed from this life to heaven. I've know "Ann" for many years and always considered her a great friend. She would do anything for anyone if she could. Although I haven't spoken to her in a few years, she was always in my thoughts. Love ya Antoinette! You will be missed! To her family and friends - my thoughts and prayers are with you all. May God comfort you and give you peace. Just remember you will be together again!
