“ *Nadine, Michael, Matthew and Patrick*  
*So sorry to hear of Barb's passing. I didn't find out before of the visitation and it was too late. I will miss not seeing your mom at the elks, it was always nice seeing her. You guys were great neighbors and I still think of your father sitting on your front step. Now they will be together again. A mother is so special and she was a good 83 and hope she didn't suffer 🙏*  
*That is the important thing and be glad you had her a long time. Just wanted you to know I was thinking of you all*

“ I remember staying with Barb and Frank when I came from California for our brother Jack's 75th birthday. She had a Kindle but didn't have internet. So I got her set up with internet so she could also use her computer. She was reading a book she downloaded from the computer and was getting ready to put the Kindle down and start dinner.

*I told her to set a piece of paper on the Kindle so she wouldn't lose her place when she re-opened it. Well long story short she believed me and did it. I never said anymore to her about it.*
