“ *Dear Cottrell Family,*

Ed and I are so very, very sorry for your lost. Ben is a great man. I will never forget all of the good times we had together, all the way back to our teen years. Ben is the one who introduced me to Led Zeppelin, my favorite band - he has the best taste in music and I thank him for sharing that with me. Many days we spent hanging by the lake or at my Dads house in Troy, playing video games...good times.

Know that he will forever be with you all. Always remember all of the good times that were had and celebrate his life. Anything you may need, we are here!!!

*Never ending love and support,
Kayla & Ed Oechsner*
