“ Now it's time to let you go,
your spirit now is free.
Even though you won't really be gone,
because you'll live inside of me,

So when we have to leave you
at your resting place,
I will always remember the good times and
your beautiful smiling face.

Even though I will miss you,
and I'll think about you everyday
you'll always be my forever friend,
and that's all I have to say.

Love,
Debra Sanders
