“ *Mama Blanca, the world is a little less vibrant without you. Since I was a little kid you’ve always thought the world of me. I don’t know how many times you cooked me bacon, eggs and potatoes but I never got tired of them. You could make everyone laugh and put a smile on the face of anyone who had the ability to cross paths with you. I’ll love you forever.*

“ *Mom,
There are so many times we would sit and chat, sharing our thoughts. You have helped me thru some very difficult times. You were always loving, understanding, and never judgemental. The love you showed all of us, especially, JT was unconditional. You were such a Light in our lives. You will be greatly missed.
Until we meet again...
Love you forever,
John*

Aunt Blanche, always a lady of class and warmth. I remember all the pool parties and picnics in Latham. You were always dressed beautifully like a princess, you welcomed everyone and you loved chatting over coffee w dad and your sisters. You loved everyone and you persevered some difficult health issues. God Bless in your garden in heaven.

“ Aunt Blanche, I'm saddened to hear of your passing. You will be missed by so many. I have so many memories that I hold dear. I'll never forget drinking coffee with you at the kitchen table while we watch your stories and you reminisce about your childhood. Thank you for all the Hershey bars and your amazing Spanish rice:) As a child, I loved watching you set your beautiful red hair and allowing me to play with your makeup. May you rest in peace.
With love and light,
Rhonda

Mom... You were the most caring, loving, and devoted mother a child could ask and hope for. You ALWAYS put your children first like no other could. Words alone can not express how much I am deeply saddened and hurt throughout my mind, body and soul but on the other hand I am deeply relieved you are no longer in pain and suffering. I could only wish to be as strong of a person as you were. I LOVE YOU SOOO MUCH and can't wait to be with you in heaven and have you in my life again as you were always and always will be in my mind and in my heart. I hope you are at peace. May god bless you. With all my love and then some.

LOVE Ralph
