

Brandi L. Ashley

November 8, 1984 - July 23, 2024

Cohoes, NY

Brandi L. Ashley, 39, died July 23, 2024. Born in Troy she was daughter of the late Stephen and Gail Chard Carpenter. Brandi Leigh was an extremely kind, patient and genuine girl who loved making people belly laugh. When Brandi walked in a room everyone knew it. She had this beauty and charm about her that was so effortlessly flawless and her loud “Carpy” Laugh could be heard for miles.

Her favorite part of life was being Mommy to her two daughters Mallory and Collins. She loved making tik tocks and using funny photo filters with her oldest daughter Mallory and watching cartoons and pushing baby Collins in her swing at the park. A few of her other favorite joys in life were getting pedicures and shopping with her Big sister Jenny and cracking jokes with her life long Best friend and brother in law Jack. Brandi somehow always found the good in all people and in all things, she was a full of life social butterfly who made everyone feel right at home. Family was everything to her and she had so many friends from childhood who she cherished and adored. She will be missed beyond measures and her passing leaves a gaping hole in all the hearts who loved her.

She leaves behind two daughters, Mallory Marie Ashley (13) and Collins

Grace Day (2). Sister of Jennifer (Jack) Powers and Stephen (Amanda Chura) Carpenter. Also survived by several aunts, uncles, nieces, nephews and great nieces and great nephews.

Funeral services will be held Wednesday at 11am from the Marra Funeral Home. Interment will be in St. Mary's Cemetery Waterford. Calling hours are Tuesday from 4-7pm.

Brandi my heart is broken I remember all the fights and we had some good ones but when your as close to someone as we were that was bound to happen. The hours we spent watching TV, talking, laughing, cooking, shopping trips we took all the things we did together I will always cherish. The day we found out you were pregnant with Mallory an security almost escorted me out of office I screamed so loud. You were so much to me and I loved you, you always knew the right thing to say,you would do anything for me as I would for you. My heart aches if got to much to handle you didn't reach out us what I can't and will never understand but your finally at piece and I know happy cause your with your Mom again know I loved you and will be here for Mallory.
