“ We want to take a moment to honor Carol, a truly special woman whose presence brought light into the lives of so many. She had a beautiful smile, a bright and vibrant personality, and a wonderful sense of humor that put people at ease the moment they met her.

One of the ways that stood out most about Carol was the way her eyes lit up whenever she spoke about her family. The pride and joy she felt for her children, grandchildren, and husband was remarkable. It is clear to see Carol's lasting impact - her love, values, and strength - were passed down. Rest easy, Carol. You will be greatly missed.

To Carol's family

I'm very sorry for your loss. I just found out today March 23rd. I've known Carol for years when she was a very young girl. She grew up with my children when we were on Main Street. She really was a sweetheart. I will remember her always. RIP Carol
