“ I remember all the fun times Chrissy and myself (Danny Smith) had growing up in Cohoes. Chrissy was kind and funny, we had our laughs for sure. I loved her and all of Chrissy’s family-we were all like family and my heart goes out to them all. So sorry I missed her funeral, if I had known I would have been there. Now she rests with her husband and Mother Connie whom I also miss. She was like a second Mom to me. My love, thoughts and prayers go out to all Chrissy’s family.

“ I was 8 years old when my niece Chrissy was born. She was a sweet baby and along with her sisters she brought a lot of joy to my life. I talked about them so much at school that a boy said to me “Do you talk about anything other than your nieces?” I told him no and continued talking about them. And I always always thought of you . Be at peace Chrissy . We love you
