“ *Condolences to Denise's family, I worked with Denise in the office of Cohoes hospital and we started a beautiful friendship! I was out of state for awhile, but when I saw her again, like it was yesterday! She had a beautiful soul that shines through her smile! I'll miss you my friend! Denise, I know you are with the Lord and back with your hubby, Donnie; at peace! Until we meet again! Love you my friend!*

“ *To the Family of Denise,*

*I'm so sorry on the passing of Denise. We knew each since we were young children at St. Joseph's school and then Cohoes High and even worked together for a short time at The Travelers. Denise was a lifelong friend and when we did see each other after a long time it was like we just saw each other the day before. Friends for life.*

*Please accept my heartfelt condolences. Denise will be missed my many.*

*God Bless,
