“ *I am so sorry for your loss. He was an amazing man! I have these great memories from when i lived across the street, Jigger used to always call me “bleachy” growing up cuz i had really blond hair. Tony, Billy and I were always together when we were little. I saw him few years back and he still called me bleachy. It’s surreal to me now because I’m back on the island and we bought Billys old house.... so many ,memories coming back here,  
  
He will be watching over you all!*

*So sorry and my sincere condolences,*
