“ *I hope your in a better place Don, so tragic to hear the news. Your a co worker everyone wanted. The laughter you brought made people want to be around you. You will forever be in our hearts.*

“ *My wife and I are so sorry to hear of Donald's untimely passing. We worked along side Don at Equity Meats in Cohoes for a long time. I also knew Dons sister Linda and her husband David from along time ago. My nephew Chad had told me just last week that Don was living across from him. Don was a standup guy. Always helpful, honest and truthful. Heaven will be a better place for us all knowing that Don will be there to guide us when it's our time to go. God bless his family and friends and our deepest thoughts and prayers for all of you in this time of grief. Ila and Dennis Stoliker*
