“ I'm thinking about Gareth today. I'm still sorry I did not know when he passed and was not at his services. Gareth was, remains, a dear friend to me. We met in 2013 or early 2014 when I first moved to the North Shore, and we became fast friends. He also fixed my Land Rover. But we spent quality time at lunches, dinners, and took him on two of the schooners in Gloucester, and even one of Gareth Jr football games. I hope he and Juliette are doing well, and Jennifer. He was one of the goodest, most decent humans I've ever had the honor to know, and he is still missed by me. Friends like that in life do not come by often.
