

Joan Mauerman

August 28, 1936 - November 27, 2023

Albany, NY

Joan Mauerman, 87, died at home of natural causes on November 27, 2023. She was born August 28, 1936 in Erie, PA, the daughter of Robert Edward Mauerman and Marjorie Bell McCray Mauerman. Joan is predeceased by her parents and her brother Robert (Bobby) Mauerman.

Joan lived at home with family in Buffalo, NY, most of her life until her mother passed. She then lived with her brother Bobby until she moved into the Watervliet Residence with the Center for Disability Services in 1998, where she lived until moving to the Northgate Residence in April 2023.

Joan will be remembered for being the strong woman that she was. She overcame a multitude of medical issues and was a cancer survivor. In Joan's early years, she was very independent. She loved to shop and was dedicated to dressing nice and wearing jewelry. Her jewelry was near and dear to her heart, as much of it was gifted from her brother over the years. Joan will be remembered for wearing a ring on every single finger when going to the Smith Center. She loved her Raggedy Ann dolls, that she lovingly called "Raggy". She enjoyed having a glass of wine on occasion and enjoyed going out to dinner, socializing and listening to music. Frank Sinatra was one of her favorite musicians. Joan always reminded staff that you cannot wear white

shoes after Labor Day. Joan will be remembered as being easy going and was loved by all who had the pleasure of supporting her over the years.

Services will be held at Marra's funeral home in Cohoes on Thursday, December 7, 2023. Calling hours will be from 10am-11am with a service at 11am. Interment will be held at the Calvary Cemetery.
