“ Johnny lived larger than life and earned his wings way to early. There really are no words to express what his life, friendship and love meant. The memory I will forever hold close is how chivalrous John could be with a bit of a rogue mixed in. Never complicated he loved good music especially SRV. dirt track racing, good times with friends, family and beer! Absolutely the best cook and was known for ridiculously great BBQ's. He loved, loved, loved feeding people!

Known as the "Mayor" of Halfmoon in earlier years and "The Buschman" in Averill Park/ Sand lake during our married years. John was a good man and will be missed by so many. He left a legacy of smiles, laughter and great memories that will last a life time

My deepest condolences to his brother Bud, Dory, his sister Muriel, Christine , Vinny and all his nieces and nephew. May you all find comfort in the way he touched each of our lives, the good he brought to all of us. Peace. love and prayers. RIP JB

“ *Of all the many blessings  
However great or small  
To have had you for an uncle  
Was the greatest one of all.*

*The family chain is broken now  
And nothing seems the same  
But as god takes us one by one  
The chain will link again!*
