

John Coleman

August 23, 1951 - July 18, 2025

John “Jay” Coleman (73) died peacefully on 7/18/25. He had battled multiple strokes, dementia and other medical issues. Known as an avid motorcycle & automobile enthusiast, he would drive his motorcycles as often as possible. He was also a classic WWF & action movie aficionado, and loved 80’s movies in particular. Ozzy Osbourne/Black Sabbath & The Doobie Brothers were just some of his favorite rock bands. Jay was known for being a clown and he would try to make light of any situation. We’d like to think he’s thundering down a road all of his own on a motorcycle wearing his beloved leather jacket.

He is survived by his children Derek Coleman, Tyler Coleman & Rachel Coleman. Additionally, he is survived by his brothers Bruce Coleman & Paul Coleman, his sister Gloria Coleman, and his nephews Kristopher Coleman & Matthew Coleman. He will be missed by his family.

His family would like to extend a tremendous thank you to Karen & the wonderfully compassionate staff at EverGreen for making his golden years as comfortable as possible. You all went above & beyond helping him the last several years, and we will forever be grateful for all of your efforts. Additionally, his family would like to extend a huge thank you to Paul Marra for covering his cremation. We’re deeply grateful for your kindness in this hour of darkness.

In lieu of services, the family will be holding a private Celebration of Life at a later date.
