“ Lisa,
Many thoughts and prayers are with you and your family. Your father was a wonderful man, so loving and selflessly giving of his time, not only to his family and friends, but to all of your friends. I have so many wonderful memories of playing Boggle and Uno around your kitchen table, swimming, ice skating and being around your family. Your Dad took us everywhere and I am truly blessed. Please rely on the great memories to get you through this very difficult time. May God keep you all close.
