“ *My grandpa was one hell of a guy. He really did have an amazing sense of humor and I'll never forget his dry jokes (that I would always believe at first). I'm thankful that I was able to have a connection with him in my adulthood. I learned a lot from our conversations. I love him deeply.*

I'll miss calling him and having him tell me the plot of whatever hallmark movie he was watching. He will always be remembered.

*Love you papa.

“ Uncle Frannie was a quiet, gentle, patient man. I remember when we were little, thinking how calm he always was, even with a bunch of us acting wild. He loved his family and will be greatly missed. My love to John John, Evelyn, and Mary, as well as his siblings. You are all in my prayers. I know the pain you are in right now. He will be laid to rest in the same National cemetery as his sister and brother.

*Love and prays,
