“ R.I.P DADDY I'm so sorry I love you so much your MY dad and nobody can take or replace you. Everyone is telling me your in a better place I know you are because in heaven there is no needles there is no drugs! But there is God and he's gonna help you, I wish You were with me, I wish I could have hugged you one last time, I havnt had a hug or seen you in 7 years and that's a long time, when I was little I was never a mommys girl or a daddy's girl I was my own kind of person, but you and I had the best times together from jumping off bridges to going skating everyday, riding four wheelers, so much more but then there were sad times and I think the sad over ruled the happy. I'm so very sorry I'm very upset I feel like I have lost life,hope,happiness, everything is drained and taken out of me I'm sorry daddy your little girl is so sorry...Daddy I love you❤️😞
