“ My son and I knew Kay. Everytime I seen her she was always smiling! She loved her son so much and her dogs! If I said something to her that was funny or something about my son as his mother she would tell me that's why I just love you! I hadn't heard from her in awhile and life just gets in the way so to speak. I had reached out but no reply which was unlike her. Today we found out she had passed and we are so heartbroken! I loved how she dyed her hair different colors and how caring she was about those close to her. She always made us laugh! She truly cared about my son. We will miss her! Fly high Kay! 😊 🙏
