“ *The first 20 years of my life were shared with my 2 favorite cousins Lois and Lorraine. I always looked up to them for guidance. So many wonderful memories I could go on for hours. Lois was always there for me when I needed her. Our time together means so much to me. I have lost a very special part of my life. My condolences to all the family. I wish I could be there with you. I loved that lady*

“ To the family of Lois,

I met Lois in 1979 at the Leonard Hospital. She was my head nurse. In time we become very good friends. We went on several shopping trips, lunch and dinner together. I particularly remember her Christmas shopping for all of her niece's and nephew's. She found much joy in doing this.

Up to the present we remained friend's. We got together a few time's a year along with our friend and former coworker Rosemary Caruso. She will be sadly missed.

Sincerely,

Lucie Smith
