“ Mom I think about you everyday. Little things remind me of you and I think to call you, but I can't. You were always there for me and saw the good in me no matter where i was in life. I miss you and will always love you.

“ I am very sorry that I was not there to meet you in person Tony to tell you and her brothers how sorry I am, especially for her suffering. I knew Mary Mae way back when, when she had long blond hair! She was always the sweetest person. Your Mom shared her birthday with my sweet mother also! I know how much she must have been loved and will certainly be missed💔

“ Remember growing up across the street from the Primeau Family on Congress St. If I close my eyes I can still picture the old neighborhood and the families that made it up.. Always knew it was time to go home when I would here Mrs. Primeau call "Mary Mae" out the front window. My condolences on your loss, Heaven has gained another Angel.

“ I knew Mary Mae when we were very young. Used to go roller skating at Guptills together and spent any days visiting with Mary Mae and her family. Nina and I often wondered what happened to Mary Mae and would have loved a reunion with her. Sounds like she had a wonderful life and my thoughts and prayers are with her family and friends. “ *Mary Mae, I hold fast to our memories and still shed tears. We spent a lifetime together as cousins--living in the same house and sharing the same yard as we grew. I feel comfort in knowing I was there to hold your hand and tend to your needs as you grew sicker every day....it was hard to see it all happen but I know you are in peace, standing side by side with you Dad and the rest of our family members. May you rest in peace---no more suffering---and bless you for the years we shared our laughs, our tears and grew older together. You will be missed :) Love, from your cousin; Diane*
