“ I am so sorry to hear about this. Mike was the coolest guy going back to middle school. He rode a unicycle to school. Quite the adventurous guy as I recall. I know that he enjoyed the ride. - Paul S. Sheremeta

“ *My deepest sympathy to Mike's Family! Mike and I went to Cohoes High School Class of 1980. He was locker neighbor for 4 years and a really nice guy, always had something funny to say. I haven't seen him since high school, but i'm sure his sense of humor carried throughout his life. Rest in Peace Mike! Thoughts and prayers for his family.*

I was told Mike passed away..... wow. I haven't seen him in probably 20 years. I thought of him often as well. We all had lots of fun with the band, singing, camping, eating good food. He had the best Toyota truck! We thought it was funny that it was still running after over 300,000 miles! No truck bed left in it but it was still running.. LOL Rest in peace Mike.
