“ Hey Mike, It's been a long time. It's Brendan and I just really wanna say that I appreciate every little thing you have done for me and my family. I never really got the opportunity to say goodbye the way I would've wanted to say goodbye. But i'm gonna try right now, it's been almost 6 years since you passed. This world's changed dramatically, the people in this world changed. You're lucky you missed 2020 I mean it was a really bad year so that's good news for you. oh and I tried playing basketball for as long as I can but I really wasn't going anywhere with it because we'll obvious reasons. I'm a 5 foot 11 shooting guard so there wasn't many doors leading me to play that sport. I did end up getting to go to school to play baseball at a high level which I think you would've loved to come watch. I really miss you Mike. There's so much I want to tell you but for now it's going to have to wait. There's so much I want to say and I hope really do get to see again one day. I play for you and will always play for you. There will always be memories stored forever. I love you thank you Mike.

“ Megan, so sorry for your loss of your dad, he was a great person we spent many times going down to Belmont park for the races and of course Saratoga, he was a wonderful friend who I am going to miss. That smile and his laugh he made a lot of people happy. Think back at all the good times you had with him and hold those memories close to your heart. You are in my thoughts. Rest in peace my friend going to miss you. Joanne mink

“ I am very sorry to hear of Mike's passing. He took my family's portrait and also the photos of my late husband when he ran for Councilman in Cohoes. He was a fine photographer and a nice man.

“ I'm so sorry for your loss, I worked with mike at memorial for several years. He was a hard worker and a great guy. When I got married he was my photographer and Later during Christmas time he gave my children a up close and personal experience as Santa when he would charm them while at styvasant plaza. My prayers and thought are with you now as you remember all the wonderful moments you shared with him. His laugh was big and full and so was his smile and kindness.
