Monique, the sister I never had, I will never forget you! We have been friends since being college roomies! We have shared so much over all these years! Happy times, sad times. Many, many laughs! I want to pick up the phone and call you, and it hits me again, you have left us to go fly with the angels! Rest in peace, my beautiful "sister". I will always love you. Sending our deepest condolences to your wonderful family and all your friends who miss you already! Barbara & Jerry
