“ 🙏 and love to the family at the loss of this beautiful soul and a Corinth icon. One of my favorite people and a beloved family friend for so many years. What a joyful life she had and what an amazing legacy she leaves in her children. We treasure the gorgeous Christmas stockings she knitted for our daughter and our grandchildren. We always have loving memories when those stockings appear every Christmas with each child's name. Elegant and sassy forever in this life and the next. Rest In Peace darling Nancy.

I have many wonderful memories of growing up in Corinth and Nancy is a big part of those happy times. She was always there for Eileen and me....cooking in her kitchen, sewing on her pedal singer sewing machine...clicking her knitting needles and sitting on the big porch at her home. She always welcomed me with a warm hug. Having her in my life was a blessing. She is now receiving her rewards and I am sure she is at peace surrounded by God's love.
