“ To the family of Nick.. I was shocked and saddened to hear of Nick's passing..I was a manager there worked for many years with Nick at Friendlys... giving him rides to and from work in later years.. he was a piece of work.. he had a good heart .. talked a lot about his family ..I remember well when Hayleigh and Anthony were born..he was a great guy .. he talked lovingly of Eva and Stell so sorry for your loss.. may he rest in peace.. “ I remember growing up and my uncle always living with my mom and my 2 brothers and I. He was such a good person . Giving us rides on his motor cycle, going on a boat ride at round lake and leaving me on a little island that was there and telling me the snapping turtles were gonna get me. I wasn't laughing then but I am now . He loved being around my mom and sister and his brothers. I loved the holidays at our grandparents house and having everyone there. I will miss him so much R.I.P u cle nick u til we meet again. I love you and I will see ya later gator

*This is the first i seen Nicks obituary or i would of wrote sooner. I grew up in the Apisa's housshold just about. I was there every day. I never seen Nick as an adult as we all go different ways as we grow older. Im still friends with his sister Eva. I was shocked to hear of his passing. May you rest in peace Nick. Give your mom a big hug from me and stella too. My condolences to this wonderful family. He was always close to Dar as a kid too. ❤️🙏*
