

Raymond E. Chevalier

January 14, 1980 - December 17, 2020

Cohoes, NY

Raymond E. Chevalier 40, entered into eternal rest on thursday, December 17th, 2020 unexpectedly.

Born in Albany N.Y. raised in Cohoes N.Y. a true "WARRIOR, 12047". Ray is the son of late Raymond E. Chevalier, Hollie Bethmann (Stepmother), Mother Margaret M. Russell, Jerry M. Russell (Stepfather), Daughter Raeanne N. Decker (Chevalier), siblings Andrew Chevalier, Marcel Chevalier, Stefan Chevalier, Marcus Chevalier, Erin (Donald) Decker, Renee` Chevalier, Ann Marie Curro, Juliette Lazzaro, Tricia (Jim) Celeone, 10 Nephews, 6 nieces and many uncles, aunts and cousins.

Ray spent most of his time working hard to enjoy the better things in life, he cherished his family and friends, he loved living the extreme life and lived every day to the fullest.

Ray would like you all to know that his job here is done, he received a call for a new job that he will not return home from. But he wants you all to know that he will always be beside you wherever you are, only he will not be walking, he will be on something motorized. So whe you feel a gust of wind or chill down your spine or the feeling that someone is watching you, know that's Ray letting you know he is still here in the fast lane living his best life. He would not want

you to be sad when you think of him, he would want you to be happy and to smile when you hear his name, and always live each day to the fullest like he did.

Funeral services and calling hours are private at the convenience of the family.

“ Ray bone, you were always one of my best guy friends, even if we didn't see or talk to each other on a daily I could literally tell you anything and my secrets were always safe with you. True friends are very hard to come by in life, so our friendship was one of kind. I will always keep you in my heart and smile when I hear your name, I know you are at peace now buddy and thats what will keep me in a positive frame of mind with your passing. You left us with so many memories and so many laughs and for that I am forever grateful. Just for you I'll make sure I always have “thousands” in my pocket. 😊🥺 til we meet again my friend. Xoxo

“ A long history has been shared between the two of us, through good times and bad but never did I think the unimaginable would happen. You hold a piece of my heart and always will. At this moment I am having a hard time believing this is reality. Our time we had together will never be forgotten n I cherish every memory. I remain speechless as I grieve.

“ We shared stories of thing we have been through and done that most would not likely believe .And he was like a younger brother to me for a long time and at a certain point in life we went different directions but that doesnt mean that I will miss you less Raybone. For better or worse you were one of a kind!! Lot of history and lifelong memories will keep you from being forgotten. You will be up there with Phil RIP -"Warriors" --Love ya kid Waheem(Shane Waddell)
