“ Grandmother, when I think about you being gone,  
My heart is saddened, and I don't know how I'll go on.  
You always had time to listen to my complaints,  
I've said so many times, “That woman's a saint.”

You taught me more about life than anyone at all.  
And were always available, anytime I would call.  
I shed a tear because my “Grandma's “gone.  
Now somehow I'll find the strength to go on.  
Love you & miss you grandma  
Love your granddaughter Tawnia
