

Sandra McLean

January 11, 1939 - April 19, 2025

Sandra (Sandy) McLean passed away on Saturday, April 19, 2025 after a chronic illness that led to hospitalization. She was surrounded by her Pinewoods family and the support of the Albany Medical Center and Hospice staff during her final hours. Sandra was 86 years old and born on January 11, 1939. She resided with the Center for Disability Services at the Pinewoods IRA located in Troy.

Sandy has a long history with the Center for Disability Services. She was admitted to Rome Developmental Center at the age of five. She remained there until 1975 when she relocated to O.D. Heck Developmental Center. In October 1975, Sandy was placed in family care home in Cobleskill, New York. She was later transferred to Schoharie County ARC ICF until her admission to O. D. Heck in 1985. She then moved into 556 Pinewoods Avenue with the Center for Disability Services, which has been her home ever since.

Sandra attended Day Program at the Center for Disability Services Smith Center for many years. The previous year she attended day program at the 700 SPS location. The staff at both day programs and Pinewoods Avenue have worked together over the years to create a close knit and supportive network of support for Sandy. This support helped Sandy to be as independent as possible and enjoy her life to the fullest.

Sandy appreciated relaxing in her favorite chair in the living room. She enjoyed watching television and listening to music. She also enjoyed the time spent with her housemates. She was an avid people watcher who enjoyed sitting back and taking in the excitement of the day behind the scenes. Sandy has made a lasting impact on many people in her 86 years and will be greatly missed.
