“ I haven't known Steve for very long, but over the past 7 or 8 months I've had the pleasure of speaking with him quite frequently. He was such a friendly and outgoing guy and he absolutely loved to talk and connect with people. He'd call, sometimes several times a day, just to chat with me. He talked a lot about his family, and it was clear how much he loved his wife and how proud he was of his children and grandchildren. He loved talking about cars and politics, and he had an amazing ability to find humor in every situation. I looked forward to his phone calls and I'll miss hearing his stories. I hope you're giving em hell up there Steve... rest easy.
