“ Tommy worked with my Dad, Milton MacIntosh at Wonder Bread for many years. I myself worked there helping John Glogowski and Mike Mazzeo with packing and shipping, and got to know Tommy as well when I was a little kid. Tom was a funny guy, and I always liked hanging around him and the guys at WB. My condolences to the family. Sorry that this message is so late, but I happened to be on the funeral home website and saw his name.
