“ I am so sad to hear of Tracie's passing. Tracie moved into my neighborhood in Eagle Mills when we were in middle school. We quickly became friends. It broke my heart when she moved to Green Island after only a short time. But we remained close and continued to spend time together. She was my maid of honor at my wedding. I remember her sons coming into this world. Somehow we lost touch through the years. But I will always remember our time together. I was blessed to know her.
