“ My heart is broken. I've been reaching out, leaving messages and trying to get in touch with you. From the moment I met you at Lee's Camp in Saratoga until this moment right now, you have been one of my most favorite people. You were a wonderful man. I looked up to you as if you were my dad. Your children were so lucky to have such a great father. These photos are from my wedding day. I'll never forget you. Your passing happened right after my move to SC and I'm just devastated finding this out just now. If your kids are reading this, please reach out to me. 845-337-0228. Your dad told me that he left a list of people to be notified and I truly wish to extend my sincere condolences to you. May you RIP Bill. You will never be forgotten. And ... I will always remember and cherish your "Mr Goodwrench" signature. I love that part of your history.
