“ You know as a little girl I always wanted to be around you bugging and crying to sleep over with you and Jade. What memories we've made and I will.always cherish them and every minute we spent together. My big best ever bro. I miss you every day and not a day goes by that I don't think about you. I have no closure cause I never got to say good bye but you know why that is but I thank the nurse at the hospital for holding the phone to your ear and those last few conversations we had. Thanks for telling me you love me cause you know you always have and will hold a special place In my heart.

“ To the Waddell & Slater family,

I have know your brother since I was in elementary. Billy was a great friend to all. He taught alot of us in Griswold Heights how to break dance, we ice skated between building 5 & 7, roller skated at Guptils, just about everything. Billy was one of a kind. He always lit up the room when he walked in. Loved by so many people and is going to be missed. Please know that you are all in my thoughts and prayers. Rest in Peace Bill.
